Re: UGL Suggestion of Bankruptcy

Dear Counsel:

Please note that on March 23, 2001, our client United Gilsonite Laboratories (“UGL”) filed a voluntary petition for relief under chapter 11 of the US Bankruptcy Code, and accordingly, an automatic stay is imposed by section 362 of the Bankruptcy Code on behalf of UGL.

A Notice of Suggestion of Bankruptcy will be filed in each of the pending UGL cases. Please let us know if you require a copy of any of the individual filings.

Sincerely,

Jennifer W. Darger
