LOUIS B. YORK, J.:

In response to James Long, Jr.'s letter of December 8, 2005, the Court notes that with cases that are assigned to me from scratch, I generally require expert disclosure reports of the plaintiff are to be served by the date the Note of Issue is filed. The defendants' reports are required within sixty (60) days of the filing of the Note of Issue. In this case, those time periods have obviously passed and in order to save time as we approach the holiday season and the scheduled trial date of January 9th draws ever closer, I am considering these reports for both sides to be served by January 9, 2006.

Accordingly, it is

ORDERED that responses to the relief requested by plaintiffs shall be furnished to the Court within seven (7) days of the date of this letter or, in the alternative, attorneys may

make their responses orally and on the record at the meeting on December 20 concerning reverse bifurcation.

Dated: December 13, 2005
