**AFFIRMATION IN SUPPORT OF MOTION FOR ISSUANCE
OF OPEN COMMISSION TO TAKE DEPOSITION OUTSIDE
STATE OF NON-PARTY WITNESS ON ORAL QUESTIONS**

Jerry Kristal, an attorney duly admitted to practice in the courts of the State of New York, hereby affirms the following to be true under the penalties of perjury pursuant to C.P.L.R. § 2106:

1, I am an attorney with the firm of Weitz & Luxenberg, P.C., attorneys for numerous NYCAL plaintiffs who claim exposure to asbestos from DaimlerChrysler Corporation (“DaimlerChrysler”), Ford Motor Company (“Ford”), and General Motors Corporation (“GM”)(collectively, the “Defendants”). I am familiar with all of the facts and proceedings heretofore had herein and respectfully submit this affirmation in support of plaintiffs’ motion seeking an Order pursuant to C.P.L.R. § 3108 for an Open Commission authorizing Weitz & Luxenberg, P.C. plaintiffs to take the examination before trial of Robert G. Stewart, as a non-party witness and requesting the Tenth Judicial District Court, Olathe, Kansas to issue a subpoena and subpoena *duces tecum* to Robert

G. Stewart, to appear for and submit to deposition upon oral examination under oath at a time, date, and place to be determined.

2. Plaintiffs allege that they developed mesothelioma and other asbestos-related diseases as a result of occupational exposure to asbestos-containing products used and/or manufactured, distributed, supplied, or sold by the Defendants.

3. It is anticipated that as part of their defense in the NYCAL litigation, the Defendants will argue that exposure to asbestos containing friction products (brakes and clutches) does not increase the risk of any asbestos-related disease.

4. Robert G. Stewart is the President of the Coordinating Committee For Automotive Repair (CCAR) at 12900 South Metcalf, Suite 120, Overland Park, Kansas 66225-6741. CCAR is an organization established in 1994 representing all parts of the automotive industry. An employee of GM currently sits on the CCAR Board of directors. CCAR is the sponsor of an online Safety and Pollution Program (S/P2) for the automotive industry. GM, DaimlerChrysler, and Ford all have endorsed the use of the S/P2 for the training of their service mechanics and for their service-mechanics-in-training. The GM, DaimlerChrysler, and Ford-endorsed S/P2 training program has an extensive section discussing the hazards of asbestos in brakes and the risk faced by brake mechanics of asbestos diseases.

5. Robert G. Stewart possesses unique information and perspective that is relevant to these NYCAL actions in which GM, DaimlerChrysler, and Ford; to wit, the information imparted to automotive mechanics and automotive mechanics-in-training, as part of their GM, DaimlerChrysler, and Ford sponsored training and education, regarding the hazards of asbestos from asbestos containing friction products. Fairness dictates that all future

juries in the NYCAL litigation against these Defendants should have access to Robert G. Stewart's testimony.

6. The information Robert G. Stewart possesses, regarding the GM, DaimlerChrysler, and Ford sponsored automotive mechanic training as to the hazards of asbestos in friction products, may not be obtainable from other sources.

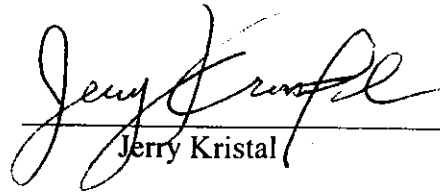

7. Plaintiff's have a "substantial need" for the testimony of Robert G. Stewart, and there are no practicable means available to obtain this information other than through the deposition of Mr. Stewart. Therefore, Plaintiffs respectfully request this Court grant leave to subpoena and depose Mr. Stewart.

8. Mr. Stewart, a present resident of Kansas, is not subject to the subpoena power of the Courts of this state.

9. In order to properly engage in complete and necessary discovery with respect to all of the Weitz & Luxenberg, P.C. plaintiffs who allege exposure to asbestos from GM, DaimlerChrysler, and Ford products, Plaintiffs manifestly require this out-of-state witness' testimony.

WHEREFORE, it is respectfully requested that an Order enter hereon granting Plaintiffs' motion in all respects, authorizing the creation of an Open Commission to enable Plaintiff to take the examination before trial of Robert G. Stewart as a non-party witness and requesting the Tenth Judicial District Court of Kansas to issue the necessary process to effectuate this Order.

WHEREFORE, no prior application has been made for the relief requested herein.
